Stitch a summer hanging!

Britain's No.1 THE WORLD OF Cross Stitching

The perfect summer's day consists of clear blue skies and napping in a comfy hammock. Bring this dreamy scene to life in stitches. Here we've frayed and patched the design onto bright yellow fabric and then mounted onto a hanger for all to see.

(Design by Jane Henderson, originally appeared in issue 256 of *The World of Cross Stitching*).

You can find more summery projects in *The World of Cross Stitching* issue 281 (June 2019), on sale 19 April 2019.
